26th Annual RMHC Golf Classic Hawaii Prince Golf Club Thursday, July 20, 2017

April 20, 2017

Aloha,

Ronald McDonald House Charities of Hawaii (RMHC-HI) is a local nonprofit organization whose mission is to provide a *home-away-from-home* for seriously ill children and their families.

For 30 years, RMHC-HI has helped to keep families together when they need each other most. Contributions from business and community leaders like you ensure that we can continue to operate two residential facilities and a respite center at Kapiolani Medical Center for Women and Children.

We are currently preparing for our 26th Annual RMHC-HI Golf Classic, and hope you will consider supporting Hawaii's families. Facing a time of challenge, their ability to keep focus on their child during the healing process depends on the goodwill of donors like you.

Please take a moment to step forward on their behalf by providing a donation for this major fundraising event. Over 200 golfers are expected to join us for a fun-filled day of camaraderie, networking and friendly competition.

We would be so grateful for your help with team prizes (three players per team), individual prizes or small gift/giveaways for each player's thank you goodie bag.

To acknowledge your gift, you or your company's name will be listed in our official tournament program, sponsor/donor brochure and on table signage.

We fully appreciate the economic choices you face when deciding your charitable giving as well as the number of organizations needing support. It is our sincere hope, however, that you will find the work of RMHC-HI worthy as all proceeds will directly help to underwrite a growing need for our program services.

If you have any questions regarding the Golf Classic or hole sponsorship opportunities, please feel free to contact Lisa at (808) 892-1902. Your thoughtful consideration is deeply appreciated and we look forward to your
