Aloha,

When it comes to making a difference in the lives of families with seriously ill children in Hawaii, there is great strength in numbers. That is why our largest event of the year, the Ronald McDonald House Charities of Hawaii (RMHC Hawaii) Gala, is so very important to us and the families that we serve.

For over 30 years, we have provided a home-away-from-home and daily support services to families with seriously ill children. It has taken the help of many helping hands and compassionate hearts. It's people like you, people in our community who really care that make the difference.

Our annual "Share a Night" Gala is coming up on Saturday, November 17. It is an inspirational evening of gourmet dining, celebrity entertainment and a live and silent auction that truly celebrates the spirit of helping those in need.

We depend on contributions from business and community leaders like you, and **hope you will consider providing an item or gift certificate for products or services to help make the evening a great success.** Those staying at Hawaii's Ronald House are surrounded by love and support, and it takes everyone's help to make it happen.

Recent House guest Jessica Sproat was overwhelmed that the entire island community extended such great kindnesses to them. As she and her husband Dustin were on their way home with new baby Kai, she shared her feelings.

*"Staying at the House was such a blessing. It offers so much comfort, and a tremendous support system. It's been a difficult time, but you have been there for us, and we are so grateful."*

Jessica and Dustin Sproat with their new baby Kai.

Your thoughtful consideration is deeply appreciated, and please know that your gift will absolutely make a difference in the lives of less fortunate Hawaii families. We hope to hear from you soon!

With warm aloha from "The House That Love Built",

Jerri Chong  
President

*Your gift keeps families of seriously ill children together when they need each other most! Mahalo!*
